

HOPE

LIVING WITH CONFIDENT EXPECTATION

CONNECT AS A FAMILY

WEEK 2

STUDY:

SCRIPTURE FIND

Have all family members grab their Bibles. Take some time together to look up the scriptures listed below. Read from the various Bibles if they are different versions. Talk about how these passages are similar (about hope) and how they are different.

- **Jeremiah 29:11**
- **Romans 15:13**
- **1 Peter 3:15**

DISCUSS:

1. What is the last thing you read in the Bible? Did you read a story that gave you hope?
2. What are some other things you might study? Do adults study?
3. What does studying help you learn? Why do you think studying is important no matter what age you are?
4. What are some ways your family can "study" to learn more about God and the Bible at home? Why is it important to have a plan?
5. How can your family study the Bible and study hope in the Bible this week?

FAMILY CHALLENGE:

As a family come up with a time each day that you can spend 10-15 minutes reading the Bible together this week. Read 5 verses of Scripture, or maybe even 1 whole chapter, and talk about what you've read. Discuss what you learned about God or about God's people in the reading. How can the reading help give you hope?
