

Week 3:

Action Steps:

Consider the types of conversations you have with others regarding your faith.

- How often do you engage in conversations about faith with those outside the walls of the church? Daily, Weekly, Monthly, Annually, Not at all?
- Could you name what challenges you and makes you uncomfortable about it and why? What steps could you take to overcome those obstacles? (Learn how, then Practice!)
- Remember in sharing your faith to listen to others—hear their story, have love and empathy for them, then tell your story sincerely.
- Learn how to tell your own story of faith by using these questions:
 - What was your life like before you were a Christian? (or before God became real to you?)
 - What happened that changed that?
 - What difference has being a follower of Christ made in your life?
- If you've engaged in opportunities about sharing your faith, what have you learned from the experience about yourself? About God?

Action: Go engage in active intentional sharing of your faith story, stating the good news of the Gospel and the hope that Christ brings.
